

Ash Wednesday Challenge

Dear Podcast Listeners,

Join us during our journey of sacrifice...

Does your church discuss sacrifice at this time of Lent? Giving up things that have a stronghold on us such as sugar, soda, TV, too much time spent at the gym or shopping excessively? Sacrifice can also be an act of works, giving back to others and your community.

Here at HBC we believe in sacrifice. As a faithful listener of our daily broadcasts provided to you free of charge, will you consider a daily sacrifice to give back to the HBC podcast ministry? The cost to provide our daily broadcasts comes to \$34 a day. Please help us to cover the cost of providing our broadcasts which reach and touch the lives of women all over the world.

Make a commitment and personally join me by sacrificing financially towards our ministry. When I get home today I'm going to label a clear glass jar with HBC Podcast Ministry and give a \$1 a day for 40 days for the 40 days of Lent. This is what we need...If 100 listeners commit to give \$40 by the end of Lent, That \$4,000 would cover the operating costs of our ministry for several months. Be one of those 100 women!

Blessings to you!
